RELIEF FROM CANCER

ESTABLISHED IN 2017

MISSION STATEMENT

We understand how difficult it is for cancer patients and their families to go through treatment & pain management, pay medical expenses, and make end of life decisions. We want to help cancer patients and their families along the difficult path to remission & survival.

RELIEF FROM CANCER

OUR GOALS

1

Provide direct financial support to cancer patients for:

- Diagnosis
- Hospitalization
- Chemotherapy & treatment
- Expert second opinions
- Psychological services
- Nutrition
- Residential & transportation needs
- Palliative Care
- Bereavement needs

2

Assist in Advocacy:

- Provide consultation, event management, and direct funding to partner nonprofits for advocating towards patients' rights to quality medical and palliative care.
- Increase government funding to assist cancer patients.

3

Increase Awareness & Education:

- Cancer self-diagnosis and screening
- Cancer prevention
- Facts about different cancers & new treatment options
- Increasing registrations in the bone marrow registry
- Training doctors and nurses to administer palliative care

4

Fund Research

- Provide funding to organizations that are researching chemotherapy with fewer side effects and pain.

**Let's Save 1,000 Cancer
Patients from COVID-19**

We need **\$20,000** to provide a PCR kit and COVID-19 testing equipment to TATA Memorial Hospital, India's largest cancer hospital. Cancer patients are at an increased risk of contracting the virus due to their compromised immune system. Your donation could save lives!

\$100 can test 5 patients!
